### **TO WHOM IT MAY CONCERN**

It gives me a meat pleasure to write this recommendation letter for Ms. KIDIST NIGUSSU TADESS. I have known her as a student of construction technology and management in Dire Dawa Institute of Technology (DDIT). in undergraduate program. I have found him keen. well disciplined, enthusiastic and hard worker. And I can say that Ms. Kidist Nigussu Tadesshas acquired sufficient knowledge and skills during her stay in the university, which makes her competent professional in her future career. Hence it is my strong convictions that she will be as asset to whatever education and work organization belong; and can successfully carry out any responsibility and handle a position granted to her level.

Finally, I would like to appreciate any assistance provided to her and wish her all the best in her future endeavors.

With regards

Elshaday Haile
